Gadkari to Visit Polavaram Project Regularly

December 6, 2017, The Hindu

“Union Minister for Water Resources Nitin Gadkari said he would visit the Polavaram Project once in a fortnight, if necessary.

The Minister reviewed the progress of the project with representatives of the A.P. government in New Delhi on Tuesday. He said the Union government would not be a silent spectator if the project work was not done properly.

PowerPoint presentation

The State government represented by Secretary Shashi Bhushan Kumar and Engineer-in-Chief M Venkateswara Rao made a power point presentation to explain the Union Minister the progress in excavation, concrete and other works at the project site.

They also briefed Mr. Gadkari the tasks being executed by Transstroy and the volume of work the contractor was able to execute.”
