Reports/Publications

1. Publication/report on Status of trace and toxic metals in rivers of India (2014)
2. Report on hydro-meteorological network under MCO
3. Trend Analysis of Water Quality in 5 major Water Bodies
4. Analysis of Trace and Toxic metals in Wainganga river and its tributaries
5. Trend analysis of Hydro-meteorological data of Wainganga-Pranhita sub-basin
6. Comparative Study of Pipe Distribution Network vs Conventional Conveyance system- A case study of Lower Pedhi Major Irrigation Project, Maharashtra.
7. Report on Irrigation Development in Uttrakhand.

(Neeraj Kumar Manglik)
